INSTITUTIONAL CHANGE EFFECTED

The following are some of the institutional changes I was central to bringing about since joining Gonzaga University in 2008.

- 2009: helped lead effort to propose and create first university-wide Advisory Council on Stewardship and Sustainability
- 2011: successfully proposed Gonzaga becoming signatory to American College and University Presidents Climate Commitment
- 2011: helped write and pass Gonzaga's first Sustainable Purchasing and Design Policy
- 2011: helped propose student-led Green Fund
- 2013: led writing and adoption of Gonzaga's first Climate Action Plan
- 2014: led effort to hire Gonzaga's first Director of Sustainability
- 2014: successfully advocated for first contractual joint appointment
- 2015: assisted students in creation of Fossil Free Gonzaga divestment campaign
- 2019: led effort to make low carbon and fossil free retirement funds available to all employees (first proposed in 2015)
- 2020: successfully advocated for modification of Gonzaga University Academic Financial Analysis to refer to "reassigned time" instead of "release time"
- 2020: successfully advocated for modification of Gonzaga University Academic Financial Analysis to change reporting methodology for interdisciplinary departments
- 2020: founder of the Gonzaga Center for Climate, Society, and the Environment
- 2022: successfully advocated for updating of Gonzaga University Baccalaureate Goals to include "Ecological awareness and care for our common home" (first proposed in 2017)
